

Spicing up The Nation

QUALITY, TRADITION, AND EXCELLENCE

About Us:

Hansons Global is a trusted name in the food industry, known for delivering high-quality products that bring authentic flavors to households and businesses across the UK. What started as a modest grocery store in Southeast London in 1990 has now grown into a well-established brand with a strong presence in retail and distribution.

Our Journey:

Our story began with a single grocery store, serving the local community with premium-quality products and exceptional service. Encouraged by strong customer demand and success, we expanded to five retail stores across Southeast London, strengthening our foothold in the market.

As we continued to grow, we took a significant step forward by launching our own brand, Hansons. With a fully automated packaging and processing unit, we ensured the highest standards of quality, efficiency, and consistency in our products.

Our Products:

Hansons offers a diverse range of food products, including:

- Beans & Lentils
- Spices
- Rice
- Pickles
- Papadoms
- Dry Fruit And Nuts
- Gur And Shakkar
- Afro Caribbean products

Expansion into Distribution

With complete in-house production & overwhelmingly positive customer feedback, Hansons Global ventured into UK-wide distribution, ensuring our brand reaches households and retailers across the country. With ever-increasing logistic capabilities, Hansons is committed to delivering across the UK within 24 hours. Our efficient supply chain & distribution network enable us to provide fast and reliable service, ensuring that customers receive fresh and high-quality products without delay.

Global Sourcing & Partnerships:

To streamline the procurement of raw materials and maintain superior quality, Hansons Global has partnered with several well-established companies in India. Our main milling and sorting unit in Panipat, India, plays a crucial role in ensuring that only the best raw materials are processed and packaged to meet our high standards.

Our Team & Commitment to Service:

At Hansons, our dedicated team emulates the passion and vision of the owners, striving to make Hansons a household name. Every member of our staff is committed to delivering seamless and customer-centric service, ensuring that each interaction with Hansons is met with efficiency, professionalism, and care. We take pride in our people, who work tirelessly to maintain the high standards that define our brand.
